Sun, 02 Dec 2018 08:42:00 GMT microcontroller based home automation seminar pdf - MICROCONTROLLER BASED HOME AUTOMATION ... Microcontroller. ABSTRACT The Smart Home Technology, which makes home, business and family trio closer, is one of useful and new technologies of our century. Today, lots of big firms over the world continue R&D and production activities on smart home appliances that are basic parts of the smart home. Smart Home is simply, high technology home with ...
